WebHours Renewal Agreement 2022-2023

Current Solutions, hereafter referred to as CS, is a database application provider connected to the Internet. CS offers storage and transfer services over the Internet through access to its web servers. The parties acknowledge that the Internet is neither owned nor controlled by any one entity; therefore CS can make no guarantee that Azusa USD (AZUSD) will be able to utilize CS's web servers at any given time. CS represents that it shall make a good faith effort to ensure that its web servers are available as widely as possible and with as little service interruptions as possible.

Therefore, in consideration of the mutual promises contained herein, the parties agree as follows:

I. Service Agreement:

CS will provide unlimited access to its web servers for the express use of approved AZUSD staff to WebHours and with Frontline Reconciliation with EID or Frontline Reconciliation without EID.

II. Financial Agreement:

AZUSD agrees to pay:

WebHours (without Frontline Reconciliation) = \$795/month or

WebHours with Frontline Reconciliation with EID = \$795/month + \$395/month or

WebHours with Frontline Reconciliation without EID = \$795/month + \$695/month

This agreement constitutes the entire understanding of the parties. Any changes or modifications must be in writing and signed by both parties. This Agreement may be canceled by either party upon receipt of 30 day written notice. This Agreement shall be governed in all respects by and construed in accordance with the law of the United States and the State of California.
