118 La Porte St.  
Arcadia, CA 91006
  - (e) Submit the results of all screening and testing at the end of the testing period or on a periodic basis as agreed upon with DISTRICT. Individual threshold test reports and an overall statistical summary shall be included.
  
2. The reports submitted by AGENCY to DISTRICT shall only contain the results of the tests conducted, and shall not include any suggestions or diagnosis. AGENCY shall have no responsibility or obligation with respect to the existence of any impaired hearing of any student, and will take no action regarding such tests. The reports shall not be released except to authorized personnel of the DISTRICT and shall be maintained always as confidential by AGENCY.
  
3. DISTRICT shall be solely responsible for the identification, retrieval, conduct and supervision of students. DISTRICT shall provide adequate personnel to control and supervise students at all times during the course of the testing.

4. DISTRICT shall designate a health supervisor or other officer as its authorized agent to coordinate the implementation of the Agreement. DISTRICTS shall also provide adequate assistance which may be in the form of volunteer adult help to assist with testing administrative procedures as agreed upon between DISTRICT and AGENCY.
5. The Hearing Test program is specifically identified as:  
**Hearing screening and all threshold testing for all mandated grades plus any referrals. Includes 1 visit to each school.**
6. For services rendered under this Agreement, DISTRICT shall pay to AGENCY, within 30 days upon receipt of invoice the sum of:  
**\$18000.00**
7. AGENCY shall perform testing between **August 2022 and June 2023.**
8. AGENCY agrees to supply upon request of DISTRICT a Certificate of Insurance carried naming DISTRICT as an added insured after the contract is fully executed.
9. AGENCY reserves the right to re-schedule or cancel the contract due to adverse weather, vehicle complications or personnel issues.
10. AGENCY will screen all students physically presented on site the day of the screening. DISTRICT agrees that if students are in Cohorts, not all students may be screened in the mandated grades.
11. AGENCY will require all district students that are to be screened to use hand sanitizer provided by the AGENCY prior to entering van for screening. DISTRICT has approved fact sheet attached and has approved use of sanitizer. DISTRICT will provide assistance as in a parent volunteer or staff in the administration of sanitizer.
12. If masks are required as directed by state and/or educational guidelines, DISTRICT will provide masks or DISTRICT will require students to provide own home masks upon entering hearing van.
13. DISTRICT understands that if directed by state and/or educational guidelines, students may only be screened 5 at a time (rather than the normal 10 at a time) which may result in longer screening times per school site.
14. The DISTRICT may send as referrals all tri-annuals and initials due for the 2022/2023 school year to be screened. The DISTRICT will not send all special Education students to be screened. The AGENCY will make every effort to screen special education students up for assessments. The DISTRICT understands that depending on a student's disability, it may not be possible.

15. AGENCY agrees to indemnify, defend, and hold the DISTRICT free and harmless from all claims, demands, losses, costs, expenses, obligations, liabilities, damages, recoveries, and deficiencies, including interest, penalties, attorneys' fees and costs, that the DISTRICT may incur if the agreement is breached by the AGENCY or the AGENCY engages in any negligent conduct.
