Status: DRAFT

Original Adopted Date: 06/02/2009 | Last Revised Date: 04/30/2019 | Last Reviewed Date: 04/30/2019

The Governing Board recognizes that an extended break from the instructional program may result in significant learning loss, especially among disadvantaged and low-achieving students, and desires to provide opportunities during the summer for students to practice essential skills and, make academic progress, **and develop social, emotional, and physical needs and interests through hands-on engaging learning experiences.**

When feasible, summer programs shall blend high-quality academic instruction in core curricular and/or elective subjects with recreation, nutrition programs, social and emotional development, and support services that encourage attendance, student engagement in learning, and student wellness.

Rotation of School Sites

The Superintendent or designee shall annually report to the Board on summer school enrollment in the current year

and previous year for the program as a whole and disaggregated by grade level, school that the students attend during the regular school year, and student population. Additional Summer Learning Opportunities
