Educational Services Study Session

September 20, 2022

Vision

Each student will be a problem solver, critical thinker, an effective communicator, and a positive contributor to the community.

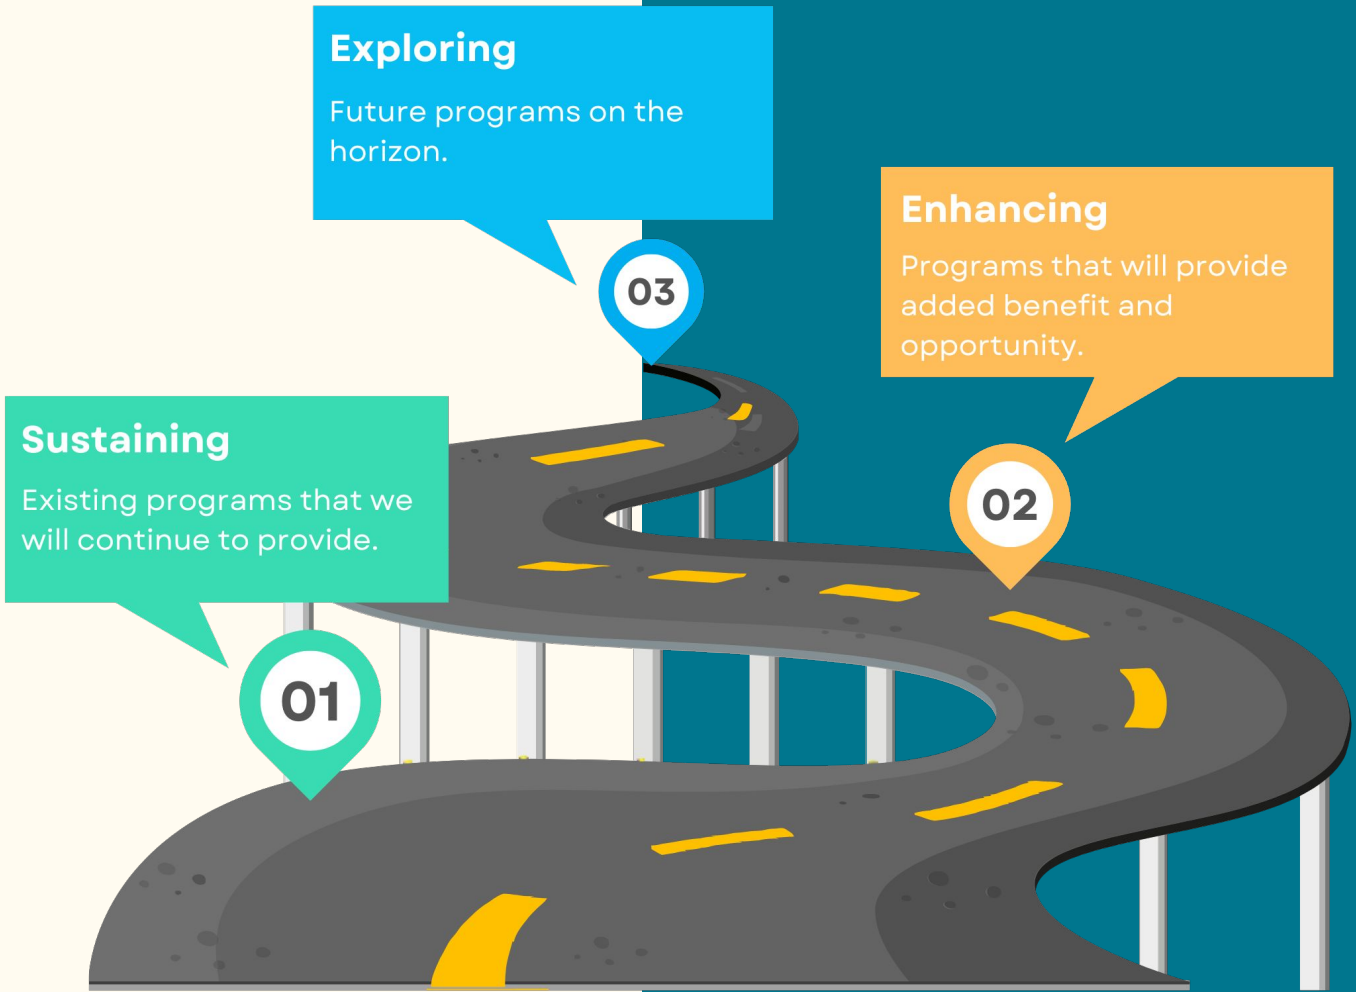
Mission

The Azusa Unified School District equips every student with the knowledge and skills for college and career readiness to fulfill their purpose and positively impact society.

COLLABORATIVE PRACTICES

ACADEMIC RIGOR

ACADEMIC DISCOURSE



Exploring
Future programs on the horizon.
03
Enhancing
