As we transition into a new school year, we are delighted to extend our partnership with your school district for the 2024-2025 school year. Pizza Hut's perfected pizza recipe continues to abide by the NSLP guidelines. Our pizzas will consist of whole grain dough, low moisture cheese, and low sodium pepperoni.

As you may be aware, we are challenged with the cost of commodities and state labor laws. Consequently, we will have a slight price increase. We will continue to prioritize our partnership in the restaurants and provide you with the same exceptional service.

14 inch 8 cut NSLP cheese or pepperoni pizza for \$8.05 each.

This pricing will remain in effect from July 1, 2024 - June 30, 2025.

Payment Terms

Payment terms are net thirty (30) days from the invoice date. The undersigned hereby agrees to pay all invoices within these terms. In the event of any default, Southern California Pizza Company will have the right to discontinue service and send the case to legal collections at which time the undersigned will agree to pay all reasonable attorney's fees and costs of collection to the extent permitted by law.
