(Education Code 48645.5)(Education Code 48645.5)

(Education Code 48645.5, 51225.2). However, a student may be required to retake the portion of the course completed if the Superintendent or designee, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. Applicability of Graduation Requirements

If a student completes district graduation requirements while being detained in a juvenile facility, the district shall issue the student a diploma from the school the student last attended, unless the County Superintendent issues the diploma. (Education Code 48645.5)

A student who transfers to a district school from a juvenile court school shall generally be expected to complete all courses required by Education Code 51225.3 and to fulfill any additional graduation requirements prescribed by the Governing Board.

However, when a student who has completed ~~his/her~~ **the student** the second year of high school transfers from a juvenile court school into a district school, ~~he/she~~ **the student** shall be exempted from all district-adopted coursework and other district-established graduation requirements, unless the district makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of ~~his/her~~ **the student's** fourth year of high school. Within 30 calendar days of the student's transfer, the Superintendent or designee shall notify the student, the ~~person holding the right to make~~ **student's** educational decisions for ~~him/her~~ **rights holder**, and the student's social worker or probation officer of the availability of the exemption and whether the student qualifies for it. If the Superintendent or designee fails to provide this notification, the student shall be eligible for the exemption once notified, even if the notification occurs after the termination of the court's jurisdiction over the student. (Education Code 51225.1) **(Education Code 51225.1)**

To determine whether a student is in the third or fourth year of high school, the district shall use either the number of credits the student has earned as of the date of the transfer, the length of school enrollment, or, for a student with significant gaps in school attendance, the student's age as compared to the average age of students in the third or fourth year of high school, whichever qualifies the student for the exemption. (Education Code 51225.1)

If a former juvenile court school student was not properly notified of an exemption, declined the exemption, or was not previously exempted, the student or the student's educational rights holder may request the exemption and the Superintendent or designee shall exempt the student within 30 days of the request. A student may request the exemption even if the student is no longer a juvenile court student. (Education Code 51225.1)

When the Superintendent or designee determines that a student who transferred into a district school is reasonably able to complete district-established graduation requirements by the end of the student's fourth year of high school, the student shall not be exempted from those requirements. Within 30 calendar days of the following academic year, the student shall be reevaluated based on the student's course completion status at the time, to determine if the student continues to be reasonably able to complete the district-established graduation requirements in time to graduate by the end of the student's fourth year of high school. Written notice as to whether the student then qualifies for the exemption shall be provided to the student, the student's educational rights holder, and if applicable, to the student's social worker or probation officer. (Education Code 51225.1)

If, upon reevaluation, it is determined that the former juvenile court student is not reasonably able to complete the district-established graduation requirements in time to graduate from high school by the end of the student's fourth year of high school, the Superintendent or designee shall provide the student with the option to receive an exemption from district-established graduation requirements or stay in school for a fifth year to complete the district-established graduation requirements upon agreement with the student, or if under 18 years of age, the student's educational rights holder, and shall provide notifications in accordance with Education Code 51225.1. (Education Code 51225.1)

To determine whether a student is in his/her third or fourth year of high school, the district shall use either the number of credits he/she has earned as of the date of the transfer or the length of his/her school enrollment; whichever qualifies him/her for the exemption. (Education Code 51225.1)

3. **Consideration of the student's academic data and any other information relevant to making an informed decision on whether to accept the exemption**

The district shall not require or request a former juvenile court school student to transfer schools in order to qualify for an exemption; and ~~no~~**shall not grant any** request **made by a former juvenile court student, the student's educational rights holder, or the district liaison on behalf of the student,** for a transfer solely to qualify for an exemption. (Education Code 51225.1)

The Superintendent or designee shall not require a former juvenile court student who is eligible for an exemption shall from district-established graduation requirements and would otherwise be made by a student, the person holding the right to make educational decisions for the student, or the student's social worker or probation officer. (Education Code 51225.1) **If a entitled to remain in attendance at the school, to accept the exemption or be denied enrollment in, or the ability to complete, courses for which the student is otherwise eligible, including courses necessary to attend an institution of higher education, regardless of whether such courses are required for statewide graduation requirements. If a former juvenile court student is exempted from ~~local~~**district-established** graduation requirements, **the exemption shall not be revoked. Additionally,** the exemption shall continue to apply after the termination of the court's jurisdiction over the student **while still enrolled in the school** or if he/she ~~the student~~ transfers to another school, **including a charter school,** or school district. Upon making a finding that a former juvenile court student is reasonably able to complete district-established graduation requirements within his/her ~~the~~ fifth year of high school, he/she ~~the Superintendent or designee~~ shall (Education Code 51225.1)

1. Inform **Consult with** the student and, if the student is under 18 years of age, the person holding the right to make ~~student's~~ educational decisions for him/her **rights holder,** of the option available to the student to remain in school for a fifth year to complete the district's **district-established** graduation requirements and how that will affect his/her ~~the student's~~ ability to gain admission to a postsecondary educational institution

When a juvenile court student who has completed the second year of high school transfers into the district or between high schools within the district, and the Superintendent or designee determines that the student is not reasonably able to complete the district-established graduation requirements within the student's fifth year of high school but is reasonably able to complete the statewide coursework requirements within the fifth year of high school, the student shall be exempted from all district-established graduation requirements and be provided with the option to remain in school for a fifth year to complete the statewide requirements.
